4.1. Payment for the Services shall be made for all undisputed amounts based upon the delivery of the work product as determined by District. Payment shall be made within thirty (30) days after Contractor submits a detailed invoice on a form acceptable to District to the District’s Accounts Payable Department for Services actually performed. Invoices must reference corresponding Purchase Order number.

4.2. The Services shall be performed at the hourly billing rates and/or unit prices included in Exhibit B. If hourly billing applies, the itemized invoice shall reflect the hours spent by Contractor in performing its Services pursuant to this Agreement.

5. **Equipment and Materials.** Contractor shall furnish, at its own expense, all tools, labor, materials, equipment, supplies, transportation services and any other items (collectively, “Equipment”) necessary to complete the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor of the Contractor’s agents, personnel, employee(s), and/or subcontractor(s) (“Contractor Parties”), even if such Equipment is furnished, rented or loaned to Contractor or Contractor Parties by District. All original curricular materials provided in conjunction with Contractor services must be authorized for use by the District only and remain exclusively the intellectual property of the authors.

6. **Independent Contractor.** Contractor represents and warrants that Contractor is an independent contractor or business entity that is: (i) free from the control and direction of the District in connection with the performance of the Services, (ii) performing Services that are outside the usual course of the District’s business, and (iii) customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the Services performed, District being interested only in the results obtained. Contractor understands and agrees that it and all of its employees shall not be considered officers, employees, agents, partner, or joint venture of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District’s employees are normally entitled, including, but not limited to, State Unemployment Compensation or Worker’s Compensation. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor’s employees. If Contractor is not a resident of California and is not exempt from withholding, the District shall withhold California Income taxes as required by the Revenue & Taxation Code. The Contractor shall still be responsible for payment of all state and federal taxes.

7. **Performance of Services**

7.1. **Standard of Care.** Contractor represents that Contractor has the qualifications and ability to perform the Services in a professional manner, without the advice, control or supervision of the District. If any of the Services are performed by any of the Contractor Parties, such work shall only be performed by competent personnel under the supervision of and in the employment of Contractor. 7.4. **New Project Approval.** Contractor and District recognize that Contractor’s Services may include working on various projects for District. Contractor shall obtain the approval of District prior to the commencement of a new project.

8. **Work Product.** Contractor understands and agrees that all matters produced under this Agreement shall become the property of District and cannot be used without District’s express written permission. District shall have all right, title and interest in said matters, including the right to secure and maintain the copyright, trademark and/or patent of said matter in the name of the District.

9. **Audit.** Contractor shall establish and maintain books, records, and systems of account, in accordance with generally accepted accounting principles, reflecting all business operations of Contractor transacted under this Agreement. Contractor shall retain these books, records, and systems of account during the Term of this Agreement and for five (5) years thereafter. Contractor shall permit the District, its agent, other representatives, or an independent auditor to audit, examine, and make excerpts, copies, and transcripts from all books and records, and to make audit(s) of all billing statements, invoices, records, and other data related to the Services covered by this Agreement. Audit(s) may be performed at any time, provided that the District shall give reasonable prior notice to Contractor and shall conduct audit(s) during Contractor’s normal business hours, unless Contractor otherwise consents.

10. **Disputes.** In the event of a dispute between the parties as to performance of the Services, the interpretation of this Agreement, or payment or nonpayment for work performed or not performed, the parties shall attempt to resolve the dispute in good faith. Pending resolution of the dispute, Contractor agrees it will neither rescind the Agreement nor stop the performance of the Services, but will allow determination by the court of the State of California, in the county in which District’s administration office is located, having competent jurisdiction of the dispute. Disputes may be determined by mediation if mutually agreeable, otherwise by litigation. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice. If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, Contractor shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to Contractor’s right to bring a civil action against District. For purposes of those provisions, the running of the time within which a claim must be presented to District shall be tolled from the time Contractor submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.

11. **Termination.**

11.1. **For Convenience by District.** District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) calendar days after the day of mailing, whichever is sooner.
11.2. **With Cause by District.** District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:

11.2.1. material violation of this Agreement by the Contractor; or

11.2.2. any act by Contractor exposing the District to liability to others for personal injury or property damage; or

11.2.3. Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency.

Written notice by District shall contain the reasons for such intention to terminate and unless within three (3) calendar days after that notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. In the event of this termination, the District may secure the required services from another Contractor. If the expense, fees, and costs to the District exceed the cost of providing the service pursuant to this Agreement, the Contractor shall immediately pay the excess expense, fees, and/or costs to the District upon the receipt of the District's notice of these expense, fees, and/or costs. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

11.3. Upon termination, Contractor shall provide the District with all documents produced maintained or collected by Contractor pursuant to this Agreement, whether or not such documents are final or draft documents.

12. **Indemnification.**

12.1. To the furthest extent permitted by California law, Contractor shall indemnify, and hold harmless the District, its governing board, agents, representatives, officers, consultants, employees, trustees, and volunteers (the "Indemnified Parties") from any and all demands, losses, liabilities, claims, suits, and actions (the "Claims") of any kind, nature, and description, including, but not limited to, personal injury, death, property damage, expenses and/or attorneys' fees and costs, directly or indirectly arising out of, connected with, or resulting from the performance of the Agreement or from any activity, work, or thing done, permitted, or suffered by the Contractor under or in conjunction with this Agreement, unless the Claims are caused wholly by the sole negligence or willful misconduct of the Indemnified Parties. Contractor shall, to the furthest extent permitted by California law, defend the Indemnified Parties at Contractor's own expense, including attorneys' fees and costs, from any and all Claim(s) and allegations relating thereto. The District shall have the right to accept or reject any legal representation that Contractor proposes to defend the Indemnified Parties.

12.2. Contractor shall pay and satisfy any judgment, award, or decree that may be rendered against the Indemnified Parties in any Claim, subject to section 13.1, above. Contractor's obligation pursuant to this Article includes reimbursing the District for the cost of any settlement paid by the Indemnified Parties and for any and all fees and costs, including but not limited to legal fees and costs, expert witness fees, and consultant fees, incurred by the Indemnified Parties in the defense of any Claim(s) and to enforce the indemnity herein, subject to section 14.1 above. Contractor's obligation to indemnify shall not be restricted to insurance proceeds.
12.3. District may withhold any and all costs that arise out of, pertain to, or relate to the negligence, recklessness, or wilful misconduct of Contractor from amounts owing to Contractor.

16. **COVID-19 Vaccination / Testing Requirements.**

**Vaccination Requirements**

Contractor shall fill out, sign, date and submit to District the COVID-19 Vaccination/Testing Certification Form, attached hereto.

According to the August 11, 2021, California Department of Public Health ("CDPH") State Public Health Officer Order ("Order"), a person is "fully vaccinated" for COVID-19 if two weeks or more have passed since they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna or vaccine authorized by the World Health Organization), or two weeks or more have passed since they received a single-dose vaccine (Johnson and Johnson[3&J]/Janssen).
Pursuant to the CDPH Guidance for Vaccine Records Guidelines & Standards, Contractor shall only accept the following as proof of vaccination:

(a) COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card which includes name of person vaccinated, type of vaccine provided and date last dose administered);

(b) a photo of a Vaccination Record Card as a separate document;
(c) a photo of a Vaccination Record Card stored on a phone or electronic device;
(d) documentation of COVID-19 vaccination from a health care provider;
(e) digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader name, date of birth, vaccine dates and vaccine type; or
(f) documentation of vaccination from other contracted employers who follow these vaccination records guidelines and standards.

In the absence of knowledge to the contrary, Contractor may accept the documentation presented in (a) through (f) above as valid.

Contractor shall have a plan in place for tracking verified Contractor personnel vaccination status. Records of vaccination verification must be made available, upon request, to the local health jurisdiction for purposes of case investigation.

Contractor personnel, including any and all tiers of subcontractor, supplier, and any other personnel entering the project site, who are not fully vaccinated, or for whom vaccine status is unknown or documentation is not provided, must be considered unvaccinated.

**Weekly Testing Requirements**

Contractor shall ensure that Contractor personnel, including any and all tiers of subcontractor, supplier, and any other worker entering the project site, who are unvaccinated or who are not fully vaccinated are required to undergo diagnostic screening testing, as specified below:

(a) Contractor personnel may be tested with either antigen or molecular tests to satisfy this requirement, but unvaccinated or incompletely vaccinated workers must be tested at least once weekly with either PCR testing or antigen testing. Any PCR (molecular) or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

(b) Unvaccinated or not fully vaccinated Contractor personnel must also observe all other infection control requirements, and are not exempted from the testing requirement even if they have a medical contraindication to vaccination, since they are still potentially able to spread the illness. Previous history of COVID-19 from which the individual recovered more than 90 days earlier, or a previous positive antibody test for COVID-19, do not waive this requirement for testing.

Contractor shall have a plan in place for tracking test results and conducting workplace contact tracing, and must report results to local public health departments, if applicable.
17. **Tuberculosis Certification.** The Tuberculosis Certification must be completed and attached to this Agreement for any person employed under contract in a certificated or classified position per Education Code Section 49406.

18. **Employment with Public Agency.** Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are actually being performed pursuant to this Agreement.

19. **Anti-Discrimination.** It is the policy of the District that in connection with all work performed under contracts there be no discrimination against any employee engaged in the work because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age and therefore the Contractor agrees to comply with applicable Federal and California laws including, but not limited to the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735 and District policy. In addition, the Contractor agrees to require like compliance by all of its subcontractor(s).

20. **Fingerprinting.** The Fingerprinting/Criminal Background Investigation Certification must be completed and attached to this Agreement prior to Contractor’s performing of any portion of the Services. Contractor expressly acknowledges that the following conditions shall apply to any work performed by Contractor and/or Contractor’s employees on a school site:

20.1. All site visits shall be arranged through the District;
