

Students

Safety

The Governing Board recognizes the importance of providing a safe school environment that is conducive to learning and promotes student safety and well-being. Appropriate measures shall be implemented to minimize the risk of harm to students, including, but not limited to, protocols for maintaining safe conditions on school grounds, promoting safe use of school facilities and equipment, and guiding student participation in educational programs and school-sponsored activities.

School staff shall be responsible for the proper supervision of students at all times when students are subject to district rules, including, but not limited to, during school hours, school-sponsored activities, before and after-school programs, morning drop-off and afternoon pick-up, and while students are using district transportation.

The Superintendent or designee shall ensure that students receive appropriate instruction on topics related to safety and emergency procedures, as well as injury and disease prevention.

Crossing Guards/Student Safety Patrol

To assist students in safely crossing streets adjacent to or near school sites, the Board may employ crossing guards and/or establish a student safety patrol at any district school. The Superintendent or designee shall periodically examine traffic patterns within school attendance areas in order to identify locations where crossing assistance may be needed.

Student Identification Cards and Safety Information

Student identification cards of students in grades 7-12 shall have printed on them safety information, including the following: (Education Code 215.5, 217)

1. The National Suicide Prevention Lifeline telephone number and, at the district's discretion, the Crisis Text Line and/or a local suicide prevention hotline telephone number
2. The National Domestic Violence Hotline

Students

Safety

Each principal or designee shall establish emergency procedures, rules for student conduct, and rules for the safe and appropriate use of school facilities, equipment, and materials, consistent with law, Board policy, and administrative regulation. The rules shall be communicated to students, distributed to parents/guardians, and readily available at the school at all times.

Release of Students

Students shall be released during the school day only to the custody of an adult who is one of the following:

1. The student's custodial parent/guardian
2. An adult authorized on the student's emergency card as someone to whom the student may be released when the custodial parent/guardian cannot be reached, provided the principal or designee verifies the adult's identity
3. An authorized law enforcement officer acting in accordance with law
4. An adult taking the student to emergency medical care at the request of the principal or designee

Supervision of Students

Teachers shall be present at their respective rooms and shall open them to admit students not less than 5 minutes before the time that school starts. (5 CCR 5570)

Every teacher shall hold students accountable for their conduct on the way to and from school, on the playgrounds, and during recess. (Education Code 44807)

The principal or designee shall require all individuals supervising students to remain alert for unauthorized persons and dangerous conditions, promptly report any such observations to the principal or designee, and file a written report as appropriate.

In arranging for appropriate supervision ~~on playgrounds~~, the principal or designee shall:

1. Clearly identify supervision zones on ~~the playground~~ campus and require all ~~playground~~ supervisors to remain outside at a location from which they can observe their entire zone of supervision.
2. Consider the size of the campus and the number of areas that are not immediately visible to determine the ratio of supervisors to students.

At any school where supervision is not otherwise provided, the principal or designee shall provide for certificated or classified employees to supervise the conduct and safety of students who are on school grounds during break and lunchtime.

Safety (Cont.)

The Superintendent or designee shall ensure that employees who supervise students receive training in safety practices and in supervisory techniques that will help prevent problems and resolve conflicts among students. Such training shall be documented and kept on file.

Laboratory Safety

The principal of each school offering laboratory work shall develop procedures for laboratory safety and designate a trained certificated employee to implement and regularly review these procedures.

Students in a laboratory shall be under the supervision of a certificated employee. Students shall be taught laboratory safety, and safety guidelines and procedures shall be posted in science classrooms. Students shall receive continual reminders about general and specific hazards.

Hazardous materials shall be properly used, stored, and disposed of in accordance with law and the district's chemical hygiene plan.

Blood borne pathogens shall be handled in accordance with the district's exposure control plan.

The district's emergency plan, emergency contact numbers, and first aid supplies shall be readily accessible.

Parents/guardians shall be made aware of the kinds of laboratory activities that will be conducted during the school year.

Hearing Protection

The Superintendent or designee shall monitor students' exposure to excessive noise in classrooms and provide protection as necessary. The Superintendent or designee may also provide hearing conservation education to teach students ways to protect their hearing.

Eye Safety Devices

The Superintendent or designee shall provide schools with eye safety devices for use whenever students, teachers, or visitors are engaged in or observing an activity or using hazardous substances likely to cause injury to the eyes. Eye safety devices may be sold to students for an amount not to exceed their actual cost to the district. (Education Code 32030, 32031, 32033)

Protection Against Insect Bites

To help protect students against insect bites or stings that may spread disease or cause allergic reactions, students shall be allowed to apply insect repellent provided by their parents/guardians, under the supervision of school personnel, and in accordance with the manufacturer's directions, when engaging in outdoor activities.
