Remuneration, Reimbursement and Other Benefits

Each member of the Governing Board may receive a monthly compensation of $35 per month. (Education Code 35120)

On an annual basis, the Board may increase the compensation of Board members beyond the limit delineated in Education Code 35120 in an amount not to exceed five percent based on the present monthly rate of compensation. (Education Code 35120)

Board members are not required to accept payment for meetings attended.

A member may be compensated for meetings he/she missed when the Board, by resolution, finds that he/she was performing designated services for the district at the time of the meeting or that he/she was absent because of illness, jury duty, or a hardship deemed acceptable by the Board. (Education Code 35120)

Whenever a quorum of Board members serves as another legislative body which will meet simultaneously or in serial order to a Board meeting, the Board clerk or a member of the Board shall verbally announce the amount of any additional compensation or stipend that each member will be entitled to receive as a result of convening the simultaneous or serial meeting. (Government Code 54952.3)

Board members shall be reimbursed for actual and necessary expenses incurred when performing authorized services for the district. Expenses for travel, telephone, business meals, or other authorized purposes shall be in accordance with policies established for district personnel and at the same rate of reimbursement.

Remuneration, Reimbursement and Other Benefits (Cont.)

Any questions regarding the propriety of a particular type of expense should be resolved by the Superintendent or designee before the expense is incurred.

Health and Welfare Benefits for Current Board Members

Board members may participate in the health and welfare benefits program provided for district employees.

(cf. 4154/4254/4354 - Health and Welfare Benefits)

Health and welfare benefits for Board members shall be no greater than that received by the district's non-safety employees with the most generous schedule of benefits. (Government Code 53208.5)

The district shall pay the premiums required for Board members electing to participate in the district health and welfare benefits program to the same extent that it pays for district administrators. If the administrators are offered an increase to their benefit cap but choose not to take it, the Board members will automatically receive the same increase offered to their benefit cap. Board members electing a plan that exceeds the cap must pay the difference.

Health and welfare benefits provided to Board members shall be extended at the same level to their spouse/registered domestic partner and to their eligible dependent children as specified in law and the health plan.

Health and Welfare Benefits for Former Board Members

Former Board members may participate in the health and welfare benefits program provided for district employees under the conditions specified below.

Health and welfare benefits for former Board members shall be no greater than those received by district non-safety employees with the most generous schedule of benefits. (Government Code 53208.5)

Any former Board member leaving the Board after at least one term of office may participate in the health and welfare benefits program at his/her own expense if coverage is in effect at the time of retirement. (Government Code 53201)

Health and welfare benefits provided to a former Board member shall be extended, at his/her expense and at the same level, to his/her spouse/registered domestic partner and eligible dependent children as specified in law and the health plan.
