

Freshman Course Selection Sheet

Class Information: Students should use the registration paperwork to begin planning their four-year high school plan. Each class passed with a D or higher earns a student 5 credits per semester toward graduation. If a student does not pass a class in high school, he or she **MUST** make it up during summer school/credit recovery or will be at risk of not graduating.

Elective: Please choose your elective wisely. Unless there are extenuating circumstances, students must remain in chosen elective for the entire school year.

Please use this chart to assist with your course selection for the next school year:

1. English (graduation requirement: 4 years); CSU/UC admissions requirement: 4 years		
<i>Freshman Required English CLASS-Students are placed in class based on teacher recommendation or grade</i>
