

Oroville High School – Site Council
Minutes- November 10, 2021
6:45AM, Zoom

Call to order: 6:46

In attendance: Tellechea, Olson, S. Smith, Adams, Castillo, R. Newmark, Cowan, Jarely

Norms were reviewed.

Minutes: Castillo made motion for approval of the 11/10/21 minutes. Adams 2nd the motion. Motion carries.

Budget: Tellechea reviewed the budget and explained the only change was she entered the Targeted Case Manager. He did get hired and started this week.

New Business

1. Targeted Case Manager- as stated above.
2. Collapse of Power Reading- Historically Site Council has paid for this Power Reading. After administering our MAP we spoke with all the parents of students that could have been in this class and only 4 students/parents wanted the class. This class has a long term sub in it along with a SPED teacher as added support, due to hiring issues the students are not getting the proper curriculum. Tellechea is proposing we collapse this class and discuss with these 4 students/parents to get them into another class. Castillo made motion for approval of the collapse of the power reading class. Smith 2nd the motion. Motion carries.
3. SARC- Tellechea went over this years SARC report. The state is behind in getting their data out but we still had to have ours completed. She will be have it updated in February and will bring it back for a second vote. Adams made motion for approval of the 2021 SARC Report. Smith 2nd the motion. Motion carries.
4. Gym Marquee- Tellechea shared a quote for a new marquee to replace our existing sign. It will be much higher quality. She is using donation money and carryover from last year. (We has less copier costs from last year) she wanted to share for general support. This does not require a vote or any funds. Thumbs up were shared by the group.

Non agenda items- none.

Meeting adjourned 7:15

Next meeting is February 9, 2022
