ARTICLE III – MEMBERS

Section I: Size and Composition (EC 52012, 52852 and 54724)
The School Site Council shall not be composed of less than 12 nor more than 16 voting members.

The needs and resources of the Single Plan for Student Achievement require that membership shall include broad representation of parents, students, and staff, including all socioeconomic and ethnic groups represented in the school attendance area. Representation on the council shall be: the Principal, representatives of teachers selected by teachers at the school, other school personnel selected by other school personnel at the school, parents of pupils attending the school selected by such parents, and pupils selected by pupils attending the school. The council shall be constituted to ensure parity between (a) the Principal, classroom teachers, and other school personnel; and (b) equal numbers of parents and pupils. Classroom teachers shall constitute the majority of those persons representing school staff.
Council members representing parents and/or community members may be employees of the school district, but may not serve as a parent representative at the site of employment (EC 52852 and 54722). Elections will be conducted with an at large meeting of parents and community members representative of the school. Ballots will be distributed with interested candidate’s names. The Principal will collect and tally votes, with the individuals with the greatest number of votes being selected to represent the parent group.

It should be noted that if parents choose to select community members to fill one or more of the parent positions, it is only the parents that may participate in the selection process. However, once a community member is selected to fill the parent position, that person is a full and equal member of the SSC for all other purposes.

Section 2: Term of office
Council members shall be elected for a two year term. However, in order to achieve staggered membership, one-half, or the nearest approximation thereof, of the members representing parents or community members and one-half, or the nearest approximation thereof, of the members representing teachers and other school personnel (except the Principal) shall serve for a one-year term only during the first year of the council's existence.

Section 3: Voting Rights
Each member shall be entitled to one vote and may cast that vote on each matter submitted to a vote of the council. An alternate representative may not cast a vote in the absence of the selected member. Absentee ballots shall not be permitted.

Section 4: Termination of Membership
A member shall no longer hold membership should he/she cease to be a resident of the area or no longer meets the membership requirements under which he/she was selected; e.g. a parent becomes employed by the district. Membership shall automatically terminate for any member who is absent from all regular meetings for a period of three consecutive meetings.

The SSC, by an affirmative vote of two-thirds of all the members, can suspend or expel a member.

Section 5: Transfer of membership
Membership on the council may not be assigned or transferred.

Section 6: Resignation
Any member may resign by submitting a written letter of resignation to the Principal who will submit it to the SSC.

Section 6: Quorum
The presence of 50 percent plus one (1) of the total membership shall be required in order to constitute a quorum necessary for the transaction of the business of the School Site Council.
