A CSEA representative designated by the Chapter President will be allowed to present information on CSEA rights and benefits during any new employee orientation with new bargaining unit members.

ARTICLE 5

HOURS AND OVERTIME

5.1 Work Week:

- 5.1.1** The workweek shall normally consist of five (5) consecutive days, eight (8) hours per day, and forty (40) hours per week. Upon mutual agreement between the supervisor and an employee the forty (40) hours per week can become flexible so that such work schedules as four (4), ten (10) hour days are possible without the requirement of overtime. This article shall not restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry out the business of the DISTRICT.
- 5.1.2** Full time custodians are allowed to subtract a thirty (30) minute lunch period from their eight (8) hours during the regular school days in which they work an evening shift. The definition of an evening shift is when the majority of the working day is past 5:00 p.m.

5.2 Rest Periods:

- 5.2.1** All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each qualifying work period (except as provided in Sub Section 2 below). To qualify for one rest period, an employee must work three (3) or more up to six (6) hours. To qualify for a second rest period an employee must work six (6) hours or more. Rest periods shall be fifteen (15) minutes in length. Any employee who is working more than two (2) hours per day but less than three (3) employed on or before November 1, 2011 shall receive a fifteen (15) minute rest period for the duration of the assignment. All bargaining unit employees shall be granted rest periods, which insofar as practicable shall be in the middle of each qualifying work period (except as provided in sub-section 2 below) at the rate of fifteen (15) minutes per four (4) hours worked or major fraction thereof. (Effective 12/19/12)
- 5.2.2** Specified periods may be designated when the operations of the DISTRICT require someone to be present at the employee's work site at all times.
- 5.2.3** Rest period of a total of thirty (30) minutes on evening or special work shifts may be scheduled to the mutual convenience of the employees and supervisors.
- 5.2.4** Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.
- 5.2.5** A bargaining unit employee may request to combine their lunch with their break(s) if the unique requirements of their job make it too difficult to consistently take their uninterrupted break(s). Supervisor approval is required and both the employee and the supervisor must fill out the appropriate form and submit it to the Personnel Office (see appendix E for a copy of the form). Supervisors may not request such combination of lunch and break(s) and may not pressure a bargaining unit employee into making such request him/herself. A member may rescind their request and take their lunch and breaks as specified above in Section A with one (1) weeks notice. (Effective 12/19/12).

5.3 Rest Facilities:

The DISTRICT shall make available at each site, lunch areas, restroom, and lavatory facilities for classified employee use.

Overtime Pay:

- 5.4.1** It is the policy of the Board to avoid the necessity of overtime whenever possible. When overtime work is necessary, and authorized in advance by the proper authority, all employees shall be compensated at time and one-half rate of pay.

The need to work overtime may sometimes arise unexpectedly such that advance authorization is not possible. Employees who legitimately work overtime hours due to unexpected events shall also be paid overtime for all such time worked. Legitimate reasons include working due to safety, unexpected emergencies that require immediate attention, and/or situations that are beyond the employee's control to end their shift on time. An employee may not choose to work overtime on the basis that he/she feels they are behind in their work or that is important to get their work done *at that time* as opposed to later.

- 5.4.2** Any employee who works more than eight (8) hours in one workday, or more than forty (40) hours in one work week shall receive overtime pay for all hours worked above 8 hours in a day or 40 hours in a week.
- 5.4.3** Any employee who works four (4) or more hours per day during five (5) consecutive days per work week shall receive overtime pay for all hours worked on the sixth (6th) and seventh (7th) day he/she works during that work week.
- 5.4.4** Any employee who works less than four (4) hours per day shall receive overtime pay on the seventh (7th) day he/she works during that work week.
- 5.4.5** An employee who works in two or more classifications, paid at different pay rates, shall have his/her overtime compensation based on the rate of pay for the classification in which he/she worked additional time, and which caused him/her to work more than eight (8) hours in a day or forty (40) hours in a week.

For example: The employee works as Bus Driver paid at Range 17 for six (6) hours per day. She also works as a Custodian paid at Range 13 for two (2) hours per day. She regularly performs the Custodial work after completing her Bus Driver duties. During the day she is assigned one (1) hour of additional work, mid-day, as a Bus Driver. On this day, she worked seven (7) hours as a Bus Driver and her regular two (2) hours as a Custodian. Since she worked nine (9) hours that day, she is entitled to overtime for one (1) hour. Since the additional one (1) hour she worked was as a Bus Driver that day, the overtime rate shall be based on her Bus Driver rate of pay (Range 17) and shall be paid at one and one-half times her regular rate of pay as a Bus Driver.

- 5.4.6** Nothing in this section of the Agreement shall preclude the District and an employee from agreeing to a flexible work schedule. A flexible work schedule may be set at ten (10) hours per day for four (4) days per work week. Flexible work schedules may also be set so that the employee works eight (8) work days of nine (9) hours, and one (1) work day of eight hours over a two week period. Overtime will be paid to employees on flexible work shifts if they work more than forty (40) hours in a week or more than the assigned work time in a day. The District retains the sole right to offer or not offer flexible work schedules to employees, and such schedules if offered require employee approval.

5.5 Compensatory Time Off:

An employee may request compensatory time off in lieu of overtime pay and such request shall require DISTRICT approval. When compensatory time off is approved, it must be taken at the convenience of the department involved, at time and one-half the hours actually worked. If not taken within one (1) year, the employee must be paid for the overtime. Because of budget effects, efforts must be made to clear compensatory time within ninety (90) days of the date it was accumulated.

5.6 Call Back:

5.6.1 Any employee called back to work after completion of their regular assignment for emergency or unscheduled events or to unlock or lock the facility shall be compensated in one of the two following ways, at the employee's choice.

- A minimum of \$50 for the call back, up to 3 hours, and time and one-half for additional hours after the first three (3), or
- Three hours of compensatory time off, up to the first three hours worked on call back, and pay or compensatory time off paid at the rate of time and a half for additional hours worked on call back after the first three (3). If the compensatory time off option is chosen by the employee, such earned compensatory time off must be used in the same fiscal year as it is earned or it will be paid off no later than July 31st of the next fiscal year. (Effective 4/2/14)

5.7 Overtime Distribution for Events at Harrison Stadium: (Effective 12/14/14)

5.7.1 School Sponsored Events

Overtime for student supervision at school-sponsored events will be offered to the Campus Supervisors and Universal Support Staff whose regular contracted assignment is at the sponsoring school in order of seniority. If the sponsoring school is unable to staff the event with employees from the site, overtime will be offered to Campus Supervisors and Universal Support Staff throughout the district in order of seniority. If overtime offers are rejected by regularly contracted staff, the district will attempt to fill the assignment with a substitute employee.

Maintenance staff will perform normal maintenance and custodial duties as part of their regular work assignment. The Campus Supervisors and/or Universal Support Staff working the school event may restock paper products in the stadium bathrooms and perform emergency maintenance repairs and custodial duties.

5.7.2 Events Sponsored by Outside Agencies/Business

When the stadium is used by and agency/business other than the district and a facility attendance is required for supervision and custodial duties, overtime will first be offered to the Maintenance staff in order of seniority. If the Maintenance staff decline the overtime, the overtime will then be offered to the Custodians and Universal Support Staff throughout the district in order of seniority. If overtime offers are rejected by regularly contracted staff, the district will attempt to fill this assignment with substitute employees.

ARTICLE 6

- 12.1.3 Grievant:** A grievant is an employee or CSEA itself alleging that they have a grievance as defined in this article. An aggrieved employee may elect, in writing, to be their own representative rather than have CSEA provide representation subject to the provisions of Section 12.4. If the grievant elects to be their own representative at any step of the grievance procedure, CSEA shall be relieved of any further obligation of representation and any expense of the grievance procedure.
- 12.1.4 Immediate Supervisor:** Is the supervisor, manager, or administrator responsible for directing the employee's work and evaluating and/or disciplining the employee. The Immediate Supervisor may be a school Principal.

- 12.2.1 Step 1 – Informal:** Within twenty (20) work days after the act or omission giving rise to the grievance, an aggrieved employee(s) may present, directly or through their CSEA representative, a grievance to their immediate supervisor. The grievance shall be submitted orally. The immediate supervisor shall provide an oral response within five (5) work days of the oral presentation of the grievance. If the grievance is not resolved informally, the grievance may proceed to Step 2.

A written response to the grievance shall be submitted to the CSEA representative and/or the aggrieved employee(s) within five (5) working days from the submission of the grievance. At the request of the grievant, their CSEA representative, or the immediate supervisor, a conference shall be held with the immediate supervisor. If a conference is requested, the five (5) working day timeline for the immediate supervisor's response shall commence upon completion of the conference.

- 12.2.3 Step 3 – Appeal to Superintendent:** If the grievant is not satisfied with the Step 2 response of the Immediate Supervisor, or if the Immediate Supervisor fails to respond to the grievant within the timelines established in Step 2, the grievant may submit the grievance in writing to the Superintendent or designee. A Step 3 grievance must be filed within five (5) work days after the date of the Immediate Supervisor’s Step 3 response was due. Within five (5) work days after receipt of the Step 3 grievance, the Superintendent/designee shall hold a meeting with the Grievant, the CSEA representative, and the Immediate Supervisor to discuss resolution of the grievance. The grievant and the CSEA Representative shall be notified in writing of the response at Step 3 within five (5) work days after the meeting.
- 12.2.4 Appeal to the Board of Education:** If the grievant is not satisfied with the decision of the Superintendent at Step 3, CSEA may submit the grievance in writing to the Board of Education at Step 4. The Step 4 grievance shall be submitted within five (5) work days after receipt of the Step 3 response. The Board will convene a grievance conference in closed session on the next regularly scheduled Board meeting date to hear the grievance. The Board shall provide a written response to the grievant by no later than the next regularly scheduled Board meeting after the grievance conference is concluded.

The grievance must be submitted within five (5) working days of the response at Step 4. If no response was received at Step 4, the grievance must be submitted within five (5) days from the date the Board should have responded by at Step 4.
- 12.2.5.1 Selection of Arbitrator:** The Superintendent or his/her designee shall, within twenty (20) work days of receipt of the Step 4 grievance, contact the California State Mediation and Conciliation Service (SMCS) to request a list of five (5) experienced arbitrators. The District and CSEA shall mutually select the arbitrator by striking names from the list until only one remains. The parties shall alternate which party strikes the first name from grievance to grievance. The CSEA representative and the District representative will agree upon three (3) dates in each of the next three (3) months during which both parties are available for the arbitration.
- 12.2.5.2 Setting Dates for the Hearing:** Once selected, the District shall contact the arbitrator to notify him/her of his/her selection as the arbitrator for the grievance. The District shall provide the arbitrator the agreed upon dates for the arbitration. If the arbitrator is not available on any of those dates, he/she shall set up a conference call with the parties’ representatives to select a date(s) for the arbitration.

12.2.5.3 Arbitrator's Authority: The arbitrator shall conduct the hearing in accordance with the rules of the American Arbitration Association (AAA). The arbitrator shall have no power or authority to add to, subtract from, or modify the terms of this Agreement. The arbitrator shall have no power or authority to add to, subtract from, or modify the terms of District policies, rules, regulations or procedures except to the extent that such addition, subtraction or modification is necessary for policies, rules, regulations or procedures to comply with the provision of this Agreement. The decision and award of the Arbitrator shall be final and binding upon both parties.

12.2.5.4 Processing the Grievance at Step 5: The parties recognize that each has internal processes through which decisions to arbitrate and/or to pay the costs of arbitration are respectively made. After submission of the grievance to Step 4, the timelines contained in Step 4 shall be held in abeyance for no more than forty-five (45) working days at the request of either party while that party completes its internal processes for arbitration. If one party requests timelines at Step 4 be held in abeyance for this reason, the other party shall use the same time period to complete its internal processes for arbitration. Placement of the grievance in abeyance at Step 4 for these reasons may be extended only with the mutual agreement of both parties.

12.2.5.5 Cost of Arbitration: The costs of arbitration, including all costs of the arbitrator and court reporter if required shall be borne equally by the parties.

12.3 Group Grievances: If the grievance involves employees with different immediate supervisor, the grievance may be filed directly at Step 3.

12.4 Employee Processed Grievances:

12.4.1 An employee covered by this Agreement may present a grievance directly, and have such grievance resolved without intervention by CSEA provided that the resolution is consistent with the terms and provisions of this Agreement. CSEA shall be provided with copies of any grievance filed directly by employees and any responses by the District. Prior to resolution of any grievance, CSEA shall be given an opportunity to review the grievance documents and the proposed resolution.

12.4.2 CSEA shall have five (5) working days to file written objections to the proposed resolution if it believes the resolution is inconsistent with the terms and provisions of this Agreement. These objections shall be filed with the Superintendent. The Superintendent shall have five (5) working days to respond to CSEA's written objections. If CSEA believes that the Superintendent's response is still inconsistent with the terms and provisions of this Agreement, it may file a grievance directly to Step 4 on the issue(s) within five (5) working days from the response, or from the date of the response should have been received.

12.5 The District shall make available, for testimony in connection with the grievance, any District employee whose presence is requested by the grievant or CSEA. Any employee witnesses who are required to appear in connection with this Article shall suffer no loss of pay.

Such proposals shall be made for the purposes of negotiations for the following fiscal year.

13.1.2 Release Time for CSEA Negotiators: The District shall provide substitutes for a maximum of five (5) representatives of the Association's bargaining team, without loss of compensation to attend negotiations, impasse proceeding and fact-finding hearings.

Morning Sessions: If the negotiations session is scheduled for the morning only and for less than five hours, the CSEA negotiators will be released from their regularly scheduled duties that morning and return for the remainder of his/her regularly assigned workday after taking their lunch break.

Employees who work split shifts may work their normal assigned hours either prior to the beginning of the session or after the session ends. The employee and the supervisor will work together to determine which split the employee will work, however, the Supervisor will make the final decision on which split will be worked. If their absence places an undue hardship on the department, the employee may be required to complete their shift and be paid overtime. For example, if the shift is an 8 hour shift, and negotiations last 3 hours, the employee shall report to work after the session and be required to work 5 hours.

If the employee is normally assigned to work five hours or less per day, he/she will not be required to return to work.

Afternoon Sessions: If the negotiations session is scheduled for the afternoon and for less than five hours, the negotiators will be released at least one hour from the beginning of the bargaining session. Employees who work the swing shift will only be required to work the number of hours of their shift minus the hours spent in negotiations. If their absence places an undue hardship on the department, the employee may be required to complete their shift and be paid overtime. For example, if the shift is an 8 hour shift, and negotiations last 3 hours, the employee shall report to work after the session and be required to work 5 hours. If the employee is normally assigned to work five hours or less per day, he/she will not be required to return to work.

13.2 Interest-Based Bargaining:

- 13.2.1** The District proposes that the Oroville Union High School District and the California Schools Employees Association will attempt to find a positive means of resolving contractual issues by using Interest-Based Bargaining (IBB).
- 13.2.1.1** Each party will define their needs in a forthright priority list omitting “throw away” items.
- 13.2.1.2** After the adoption of the State budget, the Association and the District will meet during a work session to study the local school budget. This session will clarify school expenditures and the amount of monies available beyond said expenditures.
- 13.2.2** As a first alternative to impasse, the District and Association will submit difficult and unresolved issues to study committees. These are clearly defined study committees and are not designed to be mini/micro negotiation groups. The committee membership will provide equal representation of classified and management personnel. Each committee will be charged with the study of an unresolved issue in order to develop a common list of recommendations for both negotiating teams.

13.3 Impasse:

- 13.3.1** If notice has been given in accordance with the preceding sections and the parties have not been able to agree upon terms of a new agreement, either party may institute impasse procedures in accordance with the rule of the Public Employee Relations Board. Once the impasse procedures have been invoked, this Agreement shall remain in full force and effect until conclusion of the impasse process.
- 13.3.2** CSEA and District agree that chief negotiators shall be chosen from in-house personnel. It is agreed that a School Board member can elect to be a member of the District negotiating team if it is feasible. It is also agreed that all members of the CSEA team be District classified employees and that the members of the District bargaining team be full-time employed District personnel or elected officials. Either party has the right to representation at the table provided that 48 hours notice is presented to the other party.

13.4 Ratification of Additions or Changes:

Any additions or changes in this Agreement shall not be effective unless reduced to writing, ratified, and signed by both parties.

ARTICLE 14

SAVINGS

- 14.1** If during the life of this Agreement there exists any law or any applicable rule, regulation, or order used by governmental authority other than the DISTRICT which render invalid, or restrain compliance with, or enforcement of, any provision of this Agreement, such provision shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions.
- 14.2** Should a provision or application be deemed invalid, as describe in paragraph 1 above, the Board shall re-institute any benefit reduced or eliminated to the extent allowable under law. Moreover, upon written request of either party, the parties shall meet within ten (10) days to request to renegotiate the provision or provisions affected.

ARTICLE 17

TRANSPORTATION DEPARTMENT PROCEDURES

17.1 Seniority and Route Assignments

Home to school routes are assigned by a process in which drivers select routes based upon qualifications and seniority.

Drivers will be assigned routes at the beginning of each school year. The Driver's hours shall initially be the same hours as their contracted hours at the end of the previous school year. Their hours may be adjusted pursuant to Section 17.3 below.

If changes are made to a Driver's route, the Transportation Director will make an effort to discuss the change with the Driver prior to implementing the change.

Contracted route times will be structured to include breaks and daily duties. Such duties may include checkouts, cleaning, reporting, unlocking gates and other related duties as specified in the Bus Driver and Courier job descriptions.

Routes that exclusively include pick-up or delivery to a district in special programs, [e.g., Butte County Community School ("BCCS" – LEAD ("Learn Everyday All Day"), Durham hearing impaired, and BASES ("Butte Area Social Emotional Solutions") – Butte County SELPA ("Special Education Local Plan Area")] whose calendar does not conform to the OUHSD's calendar, shall be adjusted to conform to the calendar of the other district. This paragraph will be effective when the route is open or the start of the 2020-21 school year, whichever occurs first. This section does not apply to routes covered by section 17.3.4.

17.1.1 Seniority: Seniority for purposes of route assignments shall be based upon employee's original hire date to a Bus Driver/Courier position with the Oroville Union High School District. Seniority accrued in any other type of work in a different classification will not be considered as bus driver seniority.

Seniority tie Breakers for Bus Drivers: If two or more Bus Drivers still have equal seniority, the tie will be broken by:

1st: The earliest date that a Bus Driver/Courier was placed on the Substitute Bus Driver/Courier list and who has substituted as a Bus Driver. Courier seniority does not count toward Bus Driver Seniority

2nd: The drawing of lots

Seniority Tie Breakers for Couriers: If two or more Couriers still have equal seniority, the tie will be broken by:

1st: The earliest date that a Courier was placed on the Substitute Courier list and who has substituted as a Courier.

2nd: The drawing of lots

17.2 Route Postings

The transportation department will post all open routes as they become available. The posted route will contain the daily contract hours, length of route in days, the salary level and the area and schools the route services.

Drivers with seniority may notify the department in writing of interest or disinterest within the first five (5) days of the posting.

The employee with the required qualifications and highest seniority will be assigned to the route.

The process will continue until all open contracted routes have been filled.

17.3 Increase/Decrease in Contracted Time of Regular Bus Routes:

17.3.1 The first twenty (20) working days of each school year will be utilized to determine the accuracy of the contracted times of assigned bus and courier routes. The average time of the route over this period, rounded up to the next half hour increment, will become the contracted time for the driver assigned to the route, whether the time increases or decreases. Driver hours shall not be rounded up in excess of eight (8) total hours. Routes that increase or decrease to the next half hour increment shall be offered to drivers in accordance with the provisions of 17.3.2.1 and 17.3.2.2, respectively.

Example:

After the first twenty workdays, the work day for a Driver averages 4 hours and 20 minutes per day. The contracted hours for this Driver would be set at 4 hours and 30 minutes.

17.3.2 If a route's assigned time increases or decreases for more than twenty (20) consecutive days after the initial route adjustments are made at the beginning of the school year, and the change necessitates an increase or decrease in contracted time to the next half hour increment, the change will be treated as follows:

17.3.2.1 When the contracted time of the Driver will increase to the next half hour increment, routes shall be offered to Drivers for reassignment by seniority.

17.3.2.2 When the contracted time of the Driver will decrease to the next half hour increment, the Driver of the affected route may bid on any routes held by a driver with less seniority to protect his/her contracted hours. If the contracted hours of a Driver with less seniority is affected by this, that Driver may exercise the same rights.

17.3.3 The term "driver" as used above means a Courier assigned to a Courier route or a Bus Driver assigned to a bus routes.

17.3.4 All contracted OUHSD drivers, who drive home-to-school regular education bus routes for Oroville City Elementary School District, shall work a work year of one-hundred ninety-six (196) workdays. This paragraph will be effective at the start of the 2020-2021 school year.

17.4 Implementation of Field Trip Assignments

17.4.1 Sign up and Rotation: During the summer recess, each contracted transportation employee (as defined in Section 17.4.2.7 below) will be mailed a field trip sign-up sheet. Field trip sign-up sheets must be turned into the Dispatcher by the end of the first week of school. This will be the only opportunity for field trip sign up. Experienced drivers may sign up for two (2) of three (3) available lists. All newly contracted/certificated drivers can only sign up for List #1 until the driver is approved by the Driver Trainer for List #2 and/or List #3 trips.

- **List #1 – In Town Trips**

This list is for all the bus drivers. All Saturday in town trips will stay in the regular rotation on this list. Driver will be expected to do a drop off and pick up when trips in town exceed three (3) hours.

- **List #2 – Out of Town and Long Trips**

This list is for drivers approved by the Bus Driver Trainer. The Bus Driver Trainer will notify the driver when he/she has shown competence in each type of driving skill to meet the requirements for this list.

- **List #3 – Special Trips (short/long trips with mountains, snow, and city and urban (freeway) driving.**

This list is for those drivers who have specialized training for special trips. Training for this list is mandatory. The Bus Driver Trainer will notify the driver when he/she has shown competence in each type of driving skill to meet the requirements for this list.

- 17.4.1.1** During the first week of school, each driver will be placed on each applicable list in seniority order. At the end of the first week, the list will be posted and the placement will be permanent for the remainder of the current school year. Newly hired drivers will be placed on List #1 by the supervisor at the time of hire, if agreeable to the driver.
- 17.4.1.2** At the time drivers sign up to be on any trip list, he/she must indicate whether or not he/she wants to be contacted while absent (vacation or sick leave) for purposes of being offered extra trips coming up. If he/she wants to be contacted and offered extra trips, he/she shall provide a phone number at which they may be contacted.
- 17.4.1.3** For those drivers who want to be contacted, when a trip comes up and it will be his/her turn in the rotation, he/she shall be contacted once at the phone number he/she provided. He/she must respond by the end of the next shift (AM or PM) just like any driver who is working that day.
- 17.4.1.4** A driver on vacation may actually drive an extra trip while on vacation. The number of hours deducted from the driver's vacation bank will be reduced by the number of hours of the trip. A driver on sick leave may not drive an extra trip while on sick leave.

17.4.2 Trip Assignment

17.4.2.1 Trips will be posted on the transportation bulletin board every Friday afternoon. If time allows, trips will be posted one week in advance. A list of trips and of the assigned driver(s) will be posted on the board and/or will be called by the dispatcher. The driver must accept or decline the trip by his/her next shift following notification of the trip.

17.4.2.2 Drivers are required to sign off on the appropriate trip list for any trips that he/she declines. Once a driver accepts, declines, or is unavailable for a trip, his/her name will be moved to the bottom of the list and the next senior employee on the list will move to the top of the list and be eligible for the next available trip.

17.4.2.3 In the event of emergencies or late field trip request, the dispatcher with approval of the Transportation Supervisor will use personal discretion in assigning the trip. In most cases, the Dispatcher will use the Extra Duty list to assign a Driver/Courier to the trip.

Definition of an Emergency Trip:

- Trip request that comes in after trips are posted on the Transportation Board
- Bus Driver drops out of, or is removed from a trip after saying "yes" to the trip.

17.4.2.4 It is not the intent of the trip assignment to provide equitable hours. It is the intent to provide a simple trip procedure that provides equal access to trips.

17.4.2.5 The field trip assignment system will be handled separately and will not apply to opportunities of driving extra hours due to substitution for absent drivers.

17.4.2.6 Each field trip driver will be responsible for preliminary trip preparation, such as, location of area (school, field, court etc.) in which he/she is going, (i.e. garbage bags, trip log sheet, time of departure, school organization being transported (sport, club, etc.), pre-trip evacuation speech to riders, etc.) Drivers may ask the dispatcher for assistance.

17.4.2.7 Employees eligible to be field trip drivers include employees in the following classifications: Bus Drivers, Mechanics, dispatcher, Transportation Secretary, Bus Driver Trainer. The Transportation Supervisor will only drive field trips in an emergency as defined above in Section 17.4.2.3.

17.4.3 Field Trip Pay

17.4.3.1 Duty Time:

Pay for list #1 and list #2 field trips shall be at Step 17 for any hours assigned to the trip above and beyond their regular number of assigned hours (which will be paid at the regular rate of pay). Step 17 pay shall be at current column placement of the employee per the Oroville Union High School District classified salary schedule. Pay for list #3 field trips shall be at Step 22 and current column placement of the employee per the Oroville Union High School District classified salary schedule.

17.4.3.2 Standby Time:

Pay for stand-by time will be paid at Step 17 and current column placement of the employee regardless of whether the trip is a list #1, #2, or #3 trip.

17.4.3.3 Overtime:

Overtime, as defined by California law, for field trips will only be provided as follows:

- After eight (8) hours of work time in a day and/or forty (40) hours of work time in a week.
- On the 6th and/or 7th workday in the workweek for employees having an average workday of 4 or more hours per day but less than 8 hours per day.
- On the 7th workday in the workweek for employees having an average workday of less than 4 hours per day.

17.5 Use of vehicles other than school buses by employees other than Bus Drivers:

District owned multi-passenger vehicles other than school buses may be used to transport students for extra-curricular activities including athletic trips only under the following conditions:

- District owned vehicles must be driven by Coaches, or other school personnel.
- Each site may use no more than three (3) District multi-passenger vehicles per trip to the same location.

17.6 Extra Duty:

Bus drivers who take more than one run per day shall serve one-half (1/2) hour per day for each **extra** bus check out and cleaning. Duties include safety checks, operating checks, related reports and cleaning duties.

17.7 Eligibility for extra work/field trips:

Eligibility for extra work and/or field trips shall be in accordance with the following:

17.7.1 During the regular school year, extra "Courier" work may only be assigned to Couriers and extra Bus Driver work may only be assigned to Bus Drivers. This includes any field trips.

17.7.2 During any recess period (Summer, Winter, Spring breaks) when Couriers and Drivers are not contracted, extra work, including any regularly scheduled home to school transportation or trips will be put up for bid among all Couriers and Drivers. These employees will use their seniority date in their classification as the seniority date for bidding this extra work. Note that you must be qualified to bid any route or assignment during these periods.

Example: A summer school bus route is posted and an eligible Courier with 10 years of seniority as a Courier bids the route and a Bus Driver with 2 years of seniority as a Bus Driver bids the route. These are the only two employees bidding on the route. The Courier will be offered the summer school route on the basis of greater seniority.

17.8 Mountain Routes:

17.8.1 Bus Drivers assigned to routes that include mountain driving will be paid Range 22 for all duty time above/beyond the agreed-upon pre-designated cut-off point where mountain driving actually begins. They will be paid Range 22 regardless of the kind of vehicle they are driving while above the pre-designated cut-off point and regardless of whether or not they are transporting students. Bus drivers will be paid for all duty time spent below the pre-designated cut-off point at Range 17.

17.8.2 Couriers assigned to routes that include mountain driving will be paid Range 17 for all duty time above/beyond the agreed-upon pre-designated cut-off point where mountain driving actually begins. They will be paid Range 17 regardless of the kind of vehicle they are driving while above the pre-designated cut-off point and regardless of whether or not they are transporting students. Couriers will be paid for all duty time spent below the pre-designated cut-off point at Range 15.

Pre-designated cut-off points include:

- Forbestown Road
- Pentz Road/Highway 70 (including any driving on or from Pentz Road)
- La Porte Road/Lower Honcut Road
- Rutherford Lane/Oro-Bangor Highway (Effective 3/26/15)

17.9 “Substituting” on other Routes:

17.9.1 If a driver is absent from duties and their route requires a “substitute” Courier or Bus Driver, such assignment will be rotated among drivers who sign up for the “substitute” list in seniority order. Sign-ups for the “substitute” list will occur at the same time as sign-ups for the trip lists.

17.9.2 Such offers will only be made when the absence of the regularly assigned Courier or Bus Driver is planned or when the Transportation Department knows of the absence by no later than noon on the previous day. Such a “substitute” offer may also not be made if it would result in a situation where all the routes cannot be covered. In these situations the Transportation Department may cover the route of the absent Courier or Bus Driver in any way they deem appropriate at their discretion.

17.10 Procedure for reporting Absences due to illness or injury (use of sick leave) (Effective 3/2/15)

17.10.1 When a Bus Driver suffers an illness or injury that is serious enough that he/she believes they cannot safely operate a school bus or other District vehicle, he/she shall use the following procedure to report their absence.

17.10.1.1 To notify the District that a Bus Driver will be absent due to use of sick leave, he/she shall call or go on-line to report absences to Frontline. The number for Frontline is 1-800-942-3767. The on-line address for Frontline is www.frontlineeducation.com. If there are any problems utilizing Frontline, the Bus Driver should notify the District’s Receptionist at 538-2300, X 1100.

17.10.1.2 If he/she is reporting the absence during normal working hours, he/she must also notify Dispatch immediately in order to permit substitute bus drivers to be notified.

- 17.10.1.3** If reporting the absence after normal working hours, he/she must contact a Supervisor/Dispatcher at home in addition to using Frontline.
- 17.10.1.4** Telephone numbers are available to Bus Drivers in the District Directory or through the Transportation Office for the Dispatcher and Supervisor.
- 17.10.1.5** Substitute coverage for a Bus Driver who is off work due to sick leave will continue on his/her assigned route until he/she notifies Dispatch that he/she is returning to duty. Bus Drivers are encouraged to notify Dispatch by 4:00 PM the day prior to their return to duty.

ARTICLE 18

DISCIPLINARY ACTION

18.1 Termination of Probationary Employment

At any time prior to the expiration of the probationary period, the Superintendent or designee may, at his/her discretion, dismiss a probationary classified employee from district employment. A probationary employee shall not be entitled to a hearing.

18.2 Involuntary Suspension without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

In addition to any disqualifying or actionable causes otherwise provided for by statute each of the following constitutes cause for disciplinary action against a permanent classified employee:

- 18.3.1 Falsifying any information supplied to the school district, including, but not limited to, information supplied on application forms, employment records, or any other school district records.
- 18.3.2 Incompetency.

- 18.3.9 Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.

- 18.3.10** Excessive absenteeism, tardiness or a pattern of abuse of leaves which adversely affects the employee's ability to perform the duties or responsibilities of his/her position. Approved use of vacation or use of available sick leave (as provided by Section 9.1 of this Agreement) shall not be subject to this provision of the article.
 - 18.3.11** Any other failure of good behavior either during or outside of duty hours which is of such a nature that it causes discredit to the district or his/her employment.

 - 18.3.18** A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law.
 - 18.3.19** Unlawful discrimination, including harassment on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a district employee.
 - 18.3.20** Unlawful retaliation against any other district officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
 - 18.3.21** Sleeping on the job.
 - 18.3.22** Indifference to the welfare of pupils.
 - 18.3.23** Offering of anything of value or offering any service in exchange for special treatment in connection with the employee's job or employment, or the accepting of anything of value or any service in exchange for granting any special treatment to another employee or to any member of the public.
 - 18.3.24** Theft.
- 18.3.3** No personnel action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district.

18.4 Right to Representation:

An employee subject to disciplinary investigation and/or disciplinary action shall be entitled to CSEA representation and shall be notified of this right prior to beginning an investigatory meeting and/or in writing in the Notice of Recommended Disciplinary Action.

18.5 Initiation and Notification of Recommended Disciplinary Action

The Superintendent or designee may initiate disciplinary action as defined herein against a permanent classified employee. In all cases involving a personnel action, the person initiating the action shall file a written recommendation of disciplinary action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- 18.5.1** A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- 18.5.2** A statement of the cause or causes for the personnel action, as set forth above.
- 18.5.3** A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- 18.5.4** A statement advising the employee of their right to an administrative review (hereinafter referred to as a Skelly Conference). Such statement shall identify the Administrator who will conduct the Skelly *Conference* and provide a contact number and/or email address which the employee may use to contact the Administrator to set a date and time for the Skelly *Conference*.
- 18.5.5** A statement advising the employee that he/she or his/her CSEA representative must make contact with the Administrator assigned to conduct the Skelly *Conference* within five (5) working days of receipt of the Charges.

18.6 Skelly Conference:

The employee shall have the right to CSEA representation at the Skelly *Conference* and may respond to the charges and allegations contained in the recommendation for discipline either orally or in writing.

The Skelly *Conference* will be conducted by an Administrator (Skelly Officer) who:

- Has no supervisory/managerial authority over the accused employee, and
- Has not been involved in bringing charges against the employee, nor
- Has no prior knowledge of the alleged causes giving rise to the Recommendation for Disciplinary Action.
- Alternatively, an Administrator from another District may conduct the Skelly Conference.

18.7 Skelly Conference Decision:

Within fifteen (15) work days of the Skelly Conference, the Skelly Officer Superintendent or designee shall decide in writing whether to continue imposition of the recommended disciplinary action, reduce the disciplinary action, or dismiss the disciplinary action. This written decision shall immediately be provided to the employee and his/her CSEA representative if one was requested. The decision of the Skelly Officer may be provided later than fifteen work days with mutual agreement of the accused, CSEA and the Skelly Officer. If some of form of disciplinary action is recommended, the Skelly Decision shall include:

- 18.7.1** A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal) the Administrator is recommending based upon the Conference.
- 18.7.2** A statement of the cause or causes for the personnel action, as set forth above.
- 18.7.3** A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- 18.7.4** A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed. An appeal must be filed within five (5) working days from receipt of the Skelly Conference Decision.
- 18.7.5** A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

18.8 Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of disciplinary action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof. If the Skelly Officer recommends that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the Skelly Officer or the Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of personnel action.

This unpaid suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance.

Except in cases of emergency when the employee must be removed from the premises immediately, the Skelly Officer or the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the effective date of any order of unpaid suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the Superintendent or designee orally or in writing before the final recommendation and order are issued.

Nothing in this section will preclude the District from placing an employee on a paid administrative leave at any time commencing with the initiation and notification of the Recommended Disciplinary Action.

18.9 Time Limit of Suspension

Except for an unpaid suspension imposed under 18.8 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to an unpaid suspension.

18.10 Right to Appeal

Within five calendar days after receiving the recommendation of personnel action from the Skelly Officer as described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent must be received or postmarked no later than the time limit stated herein.

In cases where an order of suspension without pay has been issued in conjunction with a Skelly Officer's recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

18.11 Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action. If the amended or supplemental recommendation presents new causes or allegations, the employee and/or his/her CSEA representative shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

18.12 Hearing Procedures

The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board or hearing officer and the availability of the CSEA representative, counsel and witnesses. The parties shall be notified of the time and place of the hearing after ensuring availability of all necessary parties. The employee shall be entitled to appear personally, produce evidence, and have CSEA representation. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal.

- 18.12.1** The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code 11500 shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.
- 18.12.2** All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. However, the Board must employ separate counsel from the one presenting the case for the complainant.
- 18.12.3** If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.
- 18.12.4** If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within ten days after the proposed decision is filed by the Board. After furnishing the proposed decision to each party, the Board may:
- 18.1.4.1** Adopt the proposed decision in its entirety.
 - 18.1.4.2** Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
 - 18.1.4.3** Reject a proposed reduction in personnel action, approve the disciplinary action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.
 - 18.1.4.4** Reject the proposed decision in its entirety.
- 18.12.5** If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item Section 18.12.4 above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the Board.
- 18.12.6** In arriving at a decision or a proposed decision on the propriety of the proposed disciplinary action, the Board or the hearing officer may consider the records of any prior disciplinary action proceedings against the employee in which a disciplinary action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

18.13 Hearing Decision

The decision of the Board shall be in writing and shall contain findings of fact and the disciplinary action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them. The decision of the Board shall be certified to the Superintendent, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated CSEA representative personally or by registered mail. The decision of the Board shall be final.

18.14 Compulsory Dismissal

The district shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code 44010 or any controlled substance offense as defined in Education Code 44011. However, the district may employ a person convicted of a controlled substance offense if the Board determines from the evidence it requires that the person has been rehabilitated for at least five years.

If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the district, although reemployment is not a guarantee. (Education Code 45123) The district reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

FRINGE BENEFITS

- C.1 During the period of this agreement, the DISTRICT will pay Monthly Health and Welfare Insurance premiums for family coverage (not to exceed \$12,840 annually) for each ½ time or more classified employee employed prior to July 1, 1991.
- C.2 If the aforementioned premiums exceed the monthly figures set forth above during the term of this agreement, DISTRICT agrees to pay any such increases during the term of this agreement only and to reopen this provision and to negotiate relative to any such increase.
- C.3 Beginning with the 1994/95 school year, employees will have the option of choosing between medical plans. If the employee chooses a less expensive plan, the employee will receive the premium savings each month; if the employee chooses to receive a more expensive plan, the employee will pay the additional premium monthly cost.
- C.4 In the event the premiums during the term of this agreement exceed the annual cap of \$12,840, the DISTRICT agrees to advance the cost of any increases in premiums above the monthly figures set forth above of \$1070 per month for medical, dental and vision for up to a period of three (3) months. It is understood and agreed that in the event agreement is not reached within said period of time the DISTRICT shall not be required to pay any more than the monthly figure referred to above (\$1070 for medical, dental and vision).
- C.5 Classified employees working less than ¾ but more than ½ may elect the Health and Welfare Package with the employee contributing toward the total package costs prorated total hours worked per day over six (6) hours. A four (4) hours employee will earn fully paid benefit when their contract hours with the DISTRICT exceed 2,500 hours. The seniority hours that will be considered will go back retroactively from their date of hire.
- C.6 The DISTRICT shall provide fully paid Health Insurance coverage for employee and eligible dependents for employees reaching their 55th birthday, provided said employee has served ten (10) years in the DISTRICT prior to retirement. The retiring employee will have the same choice of health, dental, and/or vision plans available to employees of the DISTRICT at the time of retirement, subject to the cap in effect in the year of retirement. Payment of such benefits shall continue until the retiree attains age 65.
- C.7 The open enrollment period for employee changes of medical insurance will be during the month of September each year.
- C.8 Retirees may elect pay in lieu of health and welfare insurance benefits. The District will pay to the retiree the amount of its required contribution for retiree health and welfare insurance benefits at the time the employee opts to take cash in lieu of benefits. The District will pay this amount annually to the employee for all the remaining years of eligibility until he/she reaches the age of sixty-five (65). The District will process the first payment on the next payroll period following termination of benefits and will process subsequent year payments prior to October 1 of each succeeding year until the employee reaches age sixty five (65).
Once an employee chooses to receive pay in lieu of retiree health and welfare insurance benefits, his/her retiree benefits will cease at the end of the current month in which the employee makes his/her choice. Once the benefits are terminated, they cannot be reinstated.

These payments will be generated through the district payroll system and will be subject to all required statutory deductions. Should an employer contribution be required, the amount of that contribution will also be deducted from the pay.

C.9 Alternative Insurance Coverage

For the 2015/16 school year, upon providing proof of alternative insurance coverage to the District, an employee may elect to decline the District-provided medical, dental and vision insurance plan. Butte Schools Self-Funded Programs requires that an administration fee equal to the premiums of the least expensive health benefits plan available, including premiums, for the dental and vision plans selected by the bargaining unit must be submitted on behalf of the employee. If the administration fee is less than the annual cap, the employee will receive the savings each month. If the administration fee exceeds the annual cap, the employee will pay the additional monthly cost.

During a plan year, an employee that has declined health and welfare coverage may re-enroll in the plan for which the administration fee has been paid. The employee may change plans during the next open enrollment process.

This provision does not preclude an employee from re-enrolling in a plan after a break in coverage should there be a qualifying event as defined in the Butte Schools Self-Funded Program's Re-Enrollment After Break in Coverage policy.

This section will sunset effective July 1, 2016 and bargaining unit members will no longer be allowed to opt out of District provided insurances, even with proof of alternative coverage. However, any member who was taking advantage of the provisions of this section (C.9) in 2015/16 will be grandfathered in and allowed to continue to opt out of coverage. No administrative fee will be charged to these grandfathered members and they will receive the full amount of the District's contribution for coverage that they continue to opt out of.
