

## Las Plumas Boys Basketball 2018 - 2019

On behalf of Head Coach Billy Bowers and the coaching staff of the boy's basketball program at Las Plumas High School we wish to share our goals for the upcoming basketball season. As you know, school operating budgets are tight and the basketball program survives on fundraising and donations from generous members in the Oroville Community. Our goals for the basketball program this year are many, and with your help we can achieve them. Your generous sponsorship money will be used for much needed team equipment, running our summer high school basketball league program, youth summer camps and our basketball season high school tournaments.

Our program takes pride in the development of athletes with character and positive attitudes. We advance skills, sportsmanship, team concepts and pursue victory with honor both on and off the court. Our goals cannot be accomplished without the generous support we receive from the community. See attached advertising programs, and thank you in advance for your continuing support of our youth.

### **Here are a few ways in which you can help support our program.**

- **Donate merchandise, gift certificates, or your services:** These donations will be used as prizes for our summer basketball camp and with your donation you will receive an entry in our program under a list of local sponsors.
